

Veterans Awareness Center, Foundation

1512 Caldwell Corner Road
Townsend, Delaware 19734
302 349-4898

25 January 2023

Greetings Stand Down Service Providers,

The purpose of this letter is to invite you to join the annual Veterans Stand Down scheduled for, Friday September 22, 2023, at Schutte Park. Schutte Park is located at 10 Electric Avenue Dover, Delaware. The 2023 event, including the Opening Ceremony will commence at 8:30 A.M.

The history of the Veteran Stand Downs held across this Country today, started with three Vietnam Veterans feeling the need for helping other Veterans. The three Veterans located in San Diego began to identify resources to assist with everyday needs. For the past fifteen years the Veterans' Awareness Center Foundation, has been committed to finding the needed resources to help our Veterans resolve their issues. Whether the issue is housing, food, medical care, child support, or dental, our Service Providers have been a great source.

Over the past years our Veteran Service Organizations along with individual contributors have made the Stand Down event possible, with no cost to any Service Provider Organization. Due to COVID, and the Service Organizations being closed during the Covid period, donations have been minimal. We are asking that your organization, if possible, offer a financial contribution.

Contributions may be made payable to:

Veterans Awareness Center "Stand Down"
1512 Caldwell Corner Road
Townsend, Delaware 19734

Please remember the Delaware Stand Down event is not just for homeless veterans. In Delaware, the Stand Down Mission is " to assist ALL Veterans to achieve independence through access to information and services."

If you have additional questions or concerns, please contact the Stand Down Committee at 302-349-4898. All phone calls are returned as expeditiously as possible, or contact us by email at: Info@VeteransAwarenessCenter.com

Please remain flexible prior to and during the event as things may change at a moment's notice. We want this event to be safe for our Veteran population, our Volunteers and all in attendance. Thank you in advance, for assisting the Veterans Stand Down event. I look forward to seeing those of you that are returning and for those of you I have never met, I look forward to meeting you!

Respectfully,

Liz Byers-Jiron
