A Veterans' Stand Down is a one-day outreach event, for all Veterans and guests. Agencies and local service providers across the State volunteer to participate and provide critically needed assistance in one convenient location for our veterans. Services include housing, medical, dental, flu shots, behavioral health, VA eligibility and benefits, haircuts, legal service, warm lunch, employment readiness assistance, camaraderie among fellow veterans and much more

Over the past years the Veterans Administration and Veteran Service Organizations along with individual contributors have made the Stand Down event possible. We continue to thank you for your support. New for 2025 and due to the limited resources and skyrocketing prices, we are asking that along with our annual donors, if you are a Non-Profit Organization, please consider a financial contribution of \$50.00. Contributions assist our Stand Down Committee in carrying out the mission that our veterans look forward to. **Contributions may be made payable to:**
