25 January 2023

Dear Community Supporter,

The Delaware Veterans' Stand Down event will be held on Friday, September 22, 2023, commencing at 8:30 am and ending at 2:00 pm at:

Schutte Park
10 Electric Avenue
Dover, Delaware 19901

A Veterans' Stand Down is a one-day outreach event, for all Veterans and their guests. Agencies and local service providers across the State volunteer to participate and provide critically needed assistance in one convenient location for our veterans. Services include housing, medical, dental, flu shots, behavioral health, VA eligibility and benefits, haircuts, legal service, hot lunch, employment readiness assistance, camaraderie among fellow veterans and much more!

Over the years, Veterans have looked forward to the Stand Down event where they may locate the services that they need. During the 2022 Stand Down event over 800 Veterans and Guests registered. Several veterans registered as "homeless" or "at risk" and were taken care of during the Stand Down event! In addition to the services, our Delaware Veterans were excited for the warm meals served. The Stand Down event is organized, planned, and carried out by a 100% Volunteer Committee. The Stand Down is a rollup-your-sleeves-and-serve volunteer event to help those who served our Country.

This September 2023, we are expecting a large group of veterans to attend the Stand Down event, and we simply cannot do it without the financial support and in-kind contributions from our community! We are currently seeking contributions to offset the event costs; especially the hot meals served. We hope you will make a generous contribution – All contributions are tax-deductible and may be payable to the Veterans Awareness Center Stand Down. Contributions may be mailed with the attached form and addressed to the Veterans' Awareness Center at the above address. Every little bit helps and "Thank You" in advance for your consideration and commitment to our Delaware Veterans!

Respectfully,

Liz Byers-Jiron
